

2017 TEELIN SPRING SHOW - SUNDAY, MAY 7

These are the class assignments for each show. Important: THIS IS NOT THE ORDER OF DANCES. The complete set list for each show will be published as soon as possible, and will include the order for each dance, including which Teelin Irish Dance Company numbers are performed in each show.

Dress rehearsals will take place at the theatre, with most classes rehearsing on Saturday late afternoon and evening, May 6, and a few classes rehearsing Sunday morning - all times to be determined. Please keep these dates available for now; details will be announced as quickly as possible.
